

# Understanding People 101

*"I'm not wrong, I'm just not you."*

## If you want to...

- Understand yourself first, and what makes you/others tick
- Discover how to influence and engage others
- Expose and eliminate the hidden causes to friction and conflict
- Build effective communication and healthy relationships
- Uncover individual purpose to add organizational value
- Provoke powerful thoughts to increase productivity
- Close GAPS between generations and styles
- Reignite your team's WOW factor

## Sign up for our workshop, and you'll receive...

- **Tips:** to improve that you can use right away!
- **Tools:** the resources to create powerful, sustainable change
- **Team-building:** A fun and interactive experience to remember
- **Take-away:** An in-depth report that empowers you to understand yourself and others
